

## Do you want to wear a halo?

### Become a Hill Country SPCA Guardian Angel!

Do you love animals but have no room for another pet? Do you wish you could do something for the dogs and cats awaiting a new home at the Hill Country SPCA?

Now you can. Become a Hill Country SPCA Guardian Angel and provide a temporary home in the Trudy Brune Hill Country SPCA facility for a dog or cat by sponsoring a space for a month or more.

How? Simply fill out the donation form below and specify whether you want to be a Kitty Guardian Angel or a Doggie Guardian Angel and for how long you want to sponsor the space. We will post your Angel Certificate near the door of the kitty room or on the dog run you are supporting and send you a bumper sticker to thank you for your support. Of course, every donation to the Hill Country SPCA is tax deductible. And, given our adoption rate the space you sponsor will likely help more than one animal.
